SUBJECT: DISTRIBUTION OF FOSTER PARENT BILL OF RIGHTS AND
LICENSING GUIDELINES REVISIONS

DISCUSSION:

Children's Division policy and Revised Missouri State Statute 210.566 require that a copy of the Foster Parent Bill of Rights and Responsibilities be given to resource providers at the time of initial licensure and at each licensure renewal.

The Foster Parent Bill of Rights and Responsibilities is located in policy in [Section 1 Chapter 3 Attachment A](#). The document is also provided in the [Family-Centered Out-of-Home Resource Development](#) section on the Intranet.

Currently policy addresses providing a copy of the Foster Parent Bill of Rights and Responsibilities in the Roles and Responsibilities section of the Child Welfare Manual. This directive is being added to the Resource and Development section. Children's Division staff are to provide a copy of the Foster Parent Bill of Rights and Responsibilities to the resource providers at the next quarterly visit and per policy thereafter which requires provision of the document at initial licensure and at re-licensure.

Policy guidelines for resource family assessment, licensing, and conducting the renewal assessments have been updated for accuracy and clarification including:

- Requirement of presenting the Safe Sleep Practices, CD-117, and obtaining the agreement and signature of the applicant at the first in-home meeting and at each re-licensure.
- Requirement of presenting the Resource Provider Discipline Agreement, CD-119, and obtaining signature indicating agreement at the initial licensure and at each re-licensure.
- Requirement of presenting and obtaining signature for the resource Parent Acknowledgment of Home Assessment & Case File Information Access, CD-128, at the initial licensure and at each re-licensure.

- Requirement of opening a Vendor Licensure/Placement Resource Form, SS60, within 3 working days of receiving an application.
- Clarification that the Foster /Adoptive Medical Report, CW-215, does not include medical information regarding foster youth placed in the home.
- Revised name of the Cooperative Agreement for the Purchase of Professional Parenting Services, CM-14.
- Replacement of the term, "foster parent" with "resource provider".
- Additional details for the background screening process located in [Section 6 Chapter 3 attachment A](#) of the Child Welfare Manual.
- Introduction of the accurate term, electronic fingerprint vendor, for the Missouri State Highway Patrol's contracted vendor for obtaining fingerprints.
- Instructions for reopening a closed resource provider.
